THE LEADERSHIP CHALLENGE

16 & 17 DECEMBER 2013

PUTRA WORLD TRADE CENTRE

KUALA LUMPUR

◆ EXCELLING ◆ ENHANCING ◆ EMPOWERING

INTRODUCTION Leadership is everyone's business and great leadership has never been more difficult or more needed. The Leadership Challenge addresses the skills needed to thrive in today's economy which includes the abilities to: motivate and empower others to contribute fully and deliver inspired performance, advance innovation within an organization...in every task and in every project, and collaborate and influence vast networks of employees, customers, and executive teams. The workshop covers the **Practices of Exemplary Leadership: Model the Way, Inspire a Shared Vision, Challenge the Process, Enable Others to Act and Encourage the Heart.**

TODAY'S leadership meets the challenge of creating a psychologically liberated, secure and developed management-leadership model with faith and confidence in itself, justifiably proud of what it has accomplished, robust enough to face all manner of adversity, distinguished by the pursuit of excellence, fully aware of all its potentials and respected by other competitors.

THE OBJECTIVE This Workshop will enlighten the participants that leadership is a growth process and to be a leader is to be lead by example; be a mentor to develop the mentees into mentors themselves. The participants learn to manage boundaries, be politely assertive, being organizationally strategic and departmentally tactical to face challenges, being harbingers of innovation, futuristic and forward looking, fully competitive, dynamic, robust and resilient.

To appreciate that - character development and sustaining this moral compass brings success and continuity to the organisation. Finally the participants are enabled to understand the three (3) important considerations that impact exemplary leadership process.

THE LEARNING OBJECTIVE At the end of the course the participants will learn to:

Understand the Essentials of Leadership, Identifying the Qualities of an Effective Leader

- ◆ Distinguish the Differences between Leadership and Management
- ◆ Reflect on the Changes in Modern Leadership Styles
- ◆ Explore their own Leadership and Managerial Style
- ◆ Manage Performance more effectively
- ◆ Develop their Coaching, Counseling and Mentoring Skills
- ◆ Learn how to Build Effective Teams within the Workplace
- ◆ Recognise and Appreciate Diversity
- ◆ Develop Win-Win Solutions when Resolving Conflicts
- ◆ Understand the Global Nature of Change and How to Overcome Resistance to Change
- ◆ Become more Creative in their Problem Solving
- ◆ Unleash People Potential in their Direct Reports Through Empowerment and Delegation. To be remembered for the Legacy left behind.
